

LEAVING A MARK:

STORIES OF THE UNSTOPPABLE JESUS

SOME THINGS TO BE THANKFUL FOR

MARK 6:45-52 & MATTHEW 14:22-33

1. Jesus prays for us.

- John 17**
- Romans 8:34**

2. Jesus sees us.

- When it seems that God is not responding to you remember:

- It's not that He doesn't care, He's just not worried.**
- A present storm is not proof of an absent God.**
- Jesus often does His best work in storms.**
- Sometimes it takes a storm to see Jesus for who He is.**

3. Jesus walks with us.

**-Walking with God is long term obedience
in the same direction.**

**-Our best moments of walking with God
are often in the middle of our worst
storms.**

4. Jesus transforms us.

-He turns fear into faith and worry into worship.

-He turns those who doubt into those who depend.

-He turns the “it’s all about me” person into an “it’s all about Jesus” person.

The most thankful among us this week will be the ones whose lives orbit around Christ and not themselves.
